

OHSE WAREHOUSE DEPARTMENT PARTICIPATES IN THE ANNUAL FIREFIGHTING, CHEMICAL LEAKS, AND FIRE EVACUATION DRILL FOR TIPS CO., LTD.

On November 27, 2024, the OHSE Warehouse department participated in the annual firefighting, chemical spill response, and fire evacuation drill for TIPS Co., Ltd. together with Eastern Contrans Co., Ltd., Kaoklai Group Co., Ltd., and Disaster Prevention and Mitigation Center Laem Chabang Port.

The drill simulated scenarios such as a cargo truck fire and a chemical spill. It aimed to ensure that employees and relevant parties are familiar with the procedures and actions required during a fire emergency. It also tested the effectiveness of the alarm systems, communication protocols, equipment readiness, and the preparedness of the port's firefighting vehicles and team to respond to emergencies.
